

Tender & Contract Disclosure Information

Tender Details

TIDC engaged the services of an accredited Signal Electrician to undertake the role of Site Signal Supervisor for the Kingsgrove to Revesby Quadruplication (K2RQ) Supervision of Minor Signalling Works.

Due to the global scarcity of signalling resources currently available in the rail industry, a proposal was sought from the only Contractor able to provide a RailCorp accredited Signal Supervisor full-time, for the length of the engagement. The rates are market competitive. Therefore, consistent with TIDC policy and procedures, approval was sought on this occasion to negotiate a direct engagement.
